

**REE Automotive Announces Commencement of Exchange Offer and Consent Solicitation Relating to Warrants**

TEL AVIV, Israel, August 25, 2022 -- REE Automotive Ltd. (NASDAQ: REE) (“REE” or the “Company”), an automotive technology leader and provider of electric vehicle (EV) platforms, today announced that it has commenced an exchange offer (the “Offer”) and consent solicitation (the “Consent Solicitation”) relating to its outstanding (i) public warrants to purchase Class A ordinary shares of the Company, without par value (the “Class A ordinary shares”), which warrants trade on the Nasdaq Stock Market (“Nasdaq”) under the symbol “REEAW”(the “public warrants”) and (ii) related private placement warrants to purchase Class A ordinary shares (the “private placement warrants” and, together with the public warrants, the “warrants”). The warrants were assumed by REE in connection with its business combination with 10X Capital Venture Acquisition Corp. on July 22, 2021. The purpose of the Offer and Consent Solicitation is to simplify the Company’s capital structure and reduce the potential dilutive impact of the warrants, thereby providing the Company with more flexibility for financing its operations in the future.

The Company is offering to all holders of the warrants the opportunity to receive 0.20 Class A ordinary shares in exchange for each outstanding warrant tendered by the holder and exchanged pursuant to the Offer. Pursuant to the Offer, the Company is offering up to an aggregate of 3,112,500 of its Class A ordinary shares in exchange for the warrants.

Concurrently with the Offer, the Company is also soliciting consents from holders of the public warrants and the private placement warrants to amend the warrant agreement that governs all of the warrants (the “Warrant Agreement”) to permit the Company to require that each warrant that is outstanding upon the closing of the Offer be converted into 0.18 Class A ordinary shares, which is a ratio 10% less than the exchange ratio applicable to the Offer (the “Warrant Amendment”). Pursuant to the terms of the Warrant Agreement, all except certain specified modifications or amendments, require the vote or written consent of holders of at least 50% of the number of the then outstanding public warrants and, solely with respect to any amendment to the terms of the private placement warrants or any provision of the Warrant Agreement with respect to the private placement warrants, the vote or written consent of at least 50% of the number of the then outstanding private placement warrants. Parties representing 20% of the public warrants have agreed to tender their warrants in the Offer and to consent to the Warrant Amendment in the Consent Solicitation, pursuant to a tender and support agreement. Accordingly, if holders of an additional approximately 30% of the outstanding public warrants consent to the Warrant Amendment in the Consent Solicitation, and the other conditions of the Offer are satisfied or waived, then the Warrant Amendment will be adopted with respect to the public warrants. The offering period will continue until midnight (end of day), Eastern Time, on September 22, 2022, or such later time and date to which the Company may extend, as described in the Company’s Schedule TO and Prospectus/Offer to Exchange (the “Expiration Date”). Holders of warrants may withdraw their tendered warrants at any time before the Expiration Date and retain them on their current terms or amended terms if the Warrant Amendment is approved, by following the instructions in the Prospectus/Offer to Exchange. Tendered warrants that are not accepted by the Company for exchange by September 22, 2022, may thereafter be withdrawn by a holder of warrants until such time as the warrants are accepted by the Company for exchange. If a holder of warrants withdraws a tender of its warrants, its consent to the Warrant Amendment will also be withdrawn as a result.

The Offer and Consent Solicitation are being made pursuant to a Prospectus/Offer to Exchange dated August 25, 2022, and Schedule TO, dated August 25, 2022, each of which have been filed with the U.S. Securities and Exchange Commission (“SEC”) and more fully set forth the terms and conditions of the Offer and Consent Solicitation.
